CONSOLIDATED GENDER REPORT (2017-2022)

INTRODUCTION

St. Dominic's College is committed to fostering an inclusive and diverse community where individuals of all genders feel welcome and supported. Gender equality is a fundamental principle that advocates for equal rights, opportunities, and treatment for individuals of all genders. It seeks to ensure that no one is disadvantaged or discriminated based on their gender identity or expression. Gender equality goes beyond simply addressing the disparities between men and women; it recognizes and values the diversity of gender identities.

Gender equality strives for a society where everyone has the freedom to make choices and pursue their aspirations without limitations imposed by their gender. It aims to dismantle gender stereotypes, biases, and prejudices that perpetuate discrimination and inequality. By promoting gender equality, we acknowledge that all individuals, regardless of their gender, possess equal rights and deserve equal opportunities in all spheres of life, including education, employment, healthcare, politics, and personal relationships.

The consolidated gender report aims to present the gender-related data and observations of St. Dominic's College Kanjirapally for the five academic years 2017-2022. This report aims to provide a comprehensive understanding of the gender dynamics within the college community. The report provides an overview of the gender distribution among students, faculty, and staff, as well as highlights areas of gender equity and potential areas for improvement.

GENDER DISTRIBUTION

The breakdown of gender distribution among students, faculty members and college staff is as follows:

Table 1 GENDER DISTRIBUTION

Over the course of five consecutive academic years the female student and faculty population in college has comprised approximately 60% of the total strength. The number of female administrative staff shows an increasing trend over these years.

GENDER EQUITY INITIATIVES:

3.1 Student Support:

College has implemented various initiatives to support gender equity among its students by offering scholarships, grants and counselling services for students. The campus has a well-functioning ladies hostel with modern facilities since 2019. It campus has an egalitarian environment.

The college adopted a unified gender-neutral uniform on campus with effect from 2021, which proved to be a successful step in boosting girl students' confidence and gender parity. Both boys and girls have equal opportunities in college to excel in curricular and extra-curricular activities. Several cells like Gender Justice Forum, Women Empowerment Cell, Internal Complaints Committee and Anti Ragging and Harassment Cell are functioning in the college to ensure equal opportunities for all.

Women Empowerment Cell, NSS and various cells in college conducts seminars and workshops on gender equity, Health & Hygiene, Legal Aid, Cyber security and Pro-life. Self- Defence training are organised for girl students. Amenity Centre provides sufficient space for the girl students to relax and refresh during free time and to meet their personal needs.

The institution supports and promotes the commemoration of significant days through lectures, discussions, awareness rallies, flash mobs, posters and videos, pledge taking drives, various competitions and cultural events with the goal of promoting the ideas and messages they propagate among the populace. This promotes the participation of all irrespective of gender providing equal opportunities for all.

3.2 Faculty and Staff Support:

To promote gender equity among faculty and staff, the college assures maternal and child care leave for mothers. The college follows an equitable recruitment and promotion practices to ensure a diverse and inclusive workforce. Lady's Staff Room has been created with resting facilities for lady teachers. College organises events to acknowledge the efforts and dedication of teaching and non-teaching staff.

3.3 Community support

As part of social commitment Women Empowerment Cell conducted skill development and awareness programmes like Driving and Stitching Classes for college students and ladies outside campus. Empowerment initiatives are not limited to the students, but to mothers, widows and singles in the society through orientations on topics like Life style diseases, Food Habits and Organic Farming. LABELLA, the annual women's day celebration of the college is organised to encourage and support lady students, mothers, teachers and small-scale women entrepreneurs in and around the locality. As an act of

extending help to cancer patients hair donation camps have been conducted in the college under the auspices of NSS.

SUGGESTIONS GATHERED AND MEASURES IMPLEMENTED

College has made significant efforts to promote gender equity. There are certain areas that require further attention and improvement. These may include:

Suggestions gathered	Measure Implemented
Uniform for PG students	Implemented since 2017
Ladies hostel in campus	Started functioning in campus since 2019 with all facilities
Adequate time for interval	Granted 10 minutes break during second interval
Adequate number of toilets for girls according to the number of lady students in each floor.	Constructed adequate number of toilets in college building
Enhancing awareness and education around gender issues through workshops and seminars	Conducted various seminars and workshops And prepared action plan for the next academic year
Conducting regular surveys or assessments to identify areas where gender-related challenges persist.	In process
Gender audit process	Preparations are ongoing

CONCLUSION:

College is committed to fostering a campus environment that values and supports gender equity. By promoting gender equality, we acknowledge that all individuals, regardless of their gender, possess equal rights and deserve equal opportunities in all spheres of life, including education, employment, healthcare, politics, and personal relationships. By understanding gender equality, we can work together to create a world where everyone, regardless of their gender, can live with dignity, respect, and equal opportunities to fulfill their potential. This report highlights the current gender distribution among students, faculty, and staff, as well as the initiatives in place to promote gender equity. By addressing the identified challenges and working towards continuous improvement, the college aims to create an inclusive community where individuals of all genders can thrive and succeed.

AWARENESS AND ORIENTATION

College is actively engaged in the mission of empowering young women and the efforts can be recognised.

Orientation programme on organic farming

Orientation programme for widows and singles were conducted on topics like Life style diseases and Food Habits.

DEFENSE TRAINING

Defense training plays a vital role in women's empowerment by equipping them with the necessary skills and knowledge to protect themselves and assert their rights. It provides women with a sense of personal safety, confidence, and resilience, enabling them to navigate potentially dangerous situations and overcome gender-based violence. By learning self-defense techniques, women develop a stronger sense of independence, assertiveness, and control over their lives. Moreover, defense training challenges traditional gender roles and stereotypes, promoting a culture of gender equality and empowering women to actively participate in society. It fosters a collective shift towards a safer, more inclusive environment where women are empowered to live their lives without fear and limitations.

AIDS AWARENESS AND PREMARRIAGE COUNSELLING

Awareness on aids and pre-marriage counseling were conducted in the college for final year UG - PG students.

Pre-marriage counselling plays a crucial role in colleges as it equips young individuals with essential skills and knowledge needed for a successful married life. It also promotes self-awareness, emotional intelligence, and empathy, fostering healthier and more fulfilling partnerships. It empowers students to enter into marriages with a better understanding of themselves and their partners, increasing the likelihood of long-term relationship satisfaction and stability.

SKILL DEVELOPMENT PROGRAMMES

As part of social commitment *Women Empowerment Cell* conducted skill development programmes like Driving and Stitching Classes for college students and ladies outside campus.

THE STITCHING

Empowering women is essential for the well-being and social development of our community. Women are always encouraged to learn, to work and to be independent.

HEALTH AWARENESS CAMPAIGN

AS SOON AS YOU FEEL UNWELL

Stay calm. Remember that most people recover from COVID-19 and do not require hospitalization.

- 1 Self-isolate.**
Do not wait to get tested or receive results.
- 2 Contact a doctor**
for advice
- 3 Check your oxygen level**
every 6 hours or more frequently if your breaths are too fast. **Seek emergency care if oxygen level on the oximeter shows less than 94%.**
- 4 Monitor your temperature**
every 6 hours. Do it more frequently if you have a fever. **Seek emergency care if fever of more than 101°F (38°C) persists for 3 days.**
- 5 Seek emergency medical care in any of these cases:**
 - Shortness of breath
 - Lips or face turn blue-ish
 - Feeling of disorientation increases
 - Persistent pain or pressure in the chest
 - Slurred speech/seizures
 - Unable to wake up or stay awake

STAY CALM AND ISOLATE

How to manage COVID-19 at home.

- 1 Isolate yourself in a separate room** with bathroom if possible for 10 days and rest.
 - Rest, relax, rest, relax.
 - Keep your mind busy by reading books, watching TV shows and having video calls with your family and friends.
 - If you feel up to it, do some light exercise.
- 2 Wear a mask covering your nose and mouth** whenever you open the door. Those entering your room should also wear a mask.
- 3 Open the windows** for ventilation if possible.
- 4 Wash your hands** frequently with soap. Clean your room yourself with disinfectant or soap.

HOW TO MANAGE MILDER COVID-19 AT HOME

Stay home and recover if that's what your doctor advises.

- 1 Only have medicines a doctor prescribes.**
 - ✗ Do not self-medicate. Home concoctions like garlic, camphor and carom seed (ajwain) bundles cannot improve oxygen levels.
- 2 Take paracetamol (500mg) every 4 to 6 hours** if you have a high temperature, aches or pains.
 - ✗ Do not have more than 4 doses maximum within a 24-hour period.
- 3 Stay hydrated (drink water)** and eat nutritious meals even if you are unable to taste. There is no food known to treat or cure COVID-19 but eating healthy will help your body recover.
- 4 Do tepid sponging using tap water.**
 - ✗ Do not use cold water.

AWARENESS ON DRUG ABUSE

Seminars were organized in the college to create awareness against increasing drug use across age and gender. Drug abuse affects men and women differently, and understanding these gender-specific impacts is essential for achieving equality. Women may face unique challenges related to drug abuse, such as increased vulnerability to sexual exploitation, intimate partner violence, and stigma. Raising awareness helps highlight these issues and develop targeted interventions to address them, ensuring equal support and protection for both genders. By increasing awareness about drug abuse, we can empower women with knowledge and resources to make informed choices, seek help, and break free from the cycle of addiction. This empowerment is a fundamental aspect of gender equality.

The poster features the college's crest on the left, which includes a shield with a cross and the motto 'ABSORBE AND RADIANTE'. To the right of the crest, the text reads: 'ST DOMINIC'S COLLEGE KANJIRAPPALLY ANTI NARCOTIC CELL NATIONAL SERVICE SCHEME & IQAC'. Below this, the main title is 'INTERNATIONAL DAY AGAINST DRUG ABUSE - 2022 AWARENESS PROGRAMME'. A central graphic shows a human skull with a colorful, multi-colored pattern on the right side, with the text 'AT THE FIRST GLANCE DRUGS SEEMS COLORFUL BUT IT'S NOT AS COLORFUL' overlaid. Two red arrow-shaped boxes point towards each other: the left one contains 'INAUGURATION SRI. K S SURESH CIRCLE INSPECTOR OF EXCISE' and the right one contains 'RESOURCE PERSON SRI. AWARENESS CAMPAIGN ON TRAFFIC RULES

By educating both men and women about traffic regulations, we empower them to navigate public spaces safely and with equal rights. Awareness campaigns can help debunk gender stereotypes surrounding driving abilities and encourage gender-neutral enforcement of traffic laws. By ensuring women's equal access to transportation, they feel confidence independence, freedom, and participation in social, educational, and economic activities. By increasing awareness on traffic rules fosters a culture of respect, reduces road accidents, and contributes to a more inclusive society where everyone can exercise their rights and opportunities without discrimination.

CYBER SECURITY AND ETHICS

Increasing awareness on cyber security is crucial in today's digital age. As students heavily rely on technology for academics, socializing, and personal activities, they become vulnerable to cyber threats. By raising awareness, students can learn about the importance of strong passwords, secure browsing habits, and cautious online behavior. They will understand the risks of sharing personal information, recognize phishing attempts, and be vigilant against malware and cyberattacks. Empowering college students with cyber security knowledge equips them with the necessary skills to protect their digital identities, privacy, and sensitive data. It ensures a safer online environment for themselves and others, both during their academic years and in their future professional lives.

Prolife exhibitions are conducted in promoting gender equality as they educate challenge stereotypes,empower individuals,foster solidarity and encourage critical thinking.By engaging young people in these dicussions and experiences we can work towards a more equitable and inclusive future for all genders.

INTERACTION WITH WOMEN ENTREPRENEURS

Motivational talks by successful women entrepreneurs empower college students by showcasing real-life examples of achievement, resilience, and overcoming obstacles. These talks inspire and instill confidence, fostering a belief in one's capabilities. By sharing their experiences, these entrepreneurs encourage students to dream big, take risks, and pursue their own entrepreneurial aspirations.

The college also provides opportunities to interact with women entrepreneurs.

COMMON UNIFORM POLICY

Common uniform policy for all the students and common space in library, chapel, canteen and campus eliminate the gender bias in campus.
